Re: *Misuse of Internet Protocol (IP) Captioned Telephone Service*; CG Docket No. 13-24

Dear Ms. Dortch:

In the public notice seeking comment on provider compensation rates for telecommunications relay services (TRS) in 2018-19, the Consumer and Governmental Affairs Bureau (CGB) stated that the TRS Fund administrator's 2018 TRS Rate Filing, which was filed in CG Docket Nos. 03-123 and 10-51, would also be made available in the record of the Internet Protocol Captioned Telephone Service (IP CTS) rulemaking. That rulemaking is docketed in CG Docket No. 13-24 as well as 03-123.¹ By this letter, therefore, CGB places the attached documents—the 2018 TRS Rate Filing and supplemental filings submitting revised exhibits—in the record of CG Docket No. 13-24.²

Respectfully Submitted,

Eliot Greenwald
Deputy Division Chief, Disability Rights Office
Consumer and Governmental Affairs Bureau
